

MINERVA

The International Review of Ancient Art & Archaeology

MEDIA PACK

A leading international archaeology magazine enjoyed by specialists, academics and the public. *Minerva* focusses on antiquities news, sales, new discoveries and research.

Reader profile

Minerva, the International Review of Ancient Art and Archaeology, is published six times a year. The magazine has a global subscription base and is sold in major museums, including the Metropolitan Museum of Art, the Smithsonian and the Louvre.

Subscribers to *Minerva* include thousands of people driven with a fascination for ancient art and archaeology. Our readers range from academics and industry professionals, to the museum community and ultra-high net worth individuals all with a passion for collecting the material culture of the ancient past. By providing a direct window to everyone interested in the artworks and artefacts of the ancient and medieval world, *Minerva* offers access to a wide readership of potential new clients.

Minerva would be delighted to provide further details of our competitive advertising rates. If you should have any questions or queries, please do not hesitate to get in touch. To arrange bookings please contact our Assistant Editor, Georgina Read.

We look forward to helping you develop your business.

Kind regards,
Dr Mark Merrony
Editor-in-Chief
